

CASTLEBROOKE FARMS LLC RANGE RULES

1. Always keep firearms pointed in a safe direction.
2. Always keep your finger off the trigger until ready to shoot.
3. Always keep your gun unloaded until you are at the firing line and the range is declared "HOT." Firearms must be safe (unloaded - magazines removed and actions opened) when entering or exiting the range.
4. Cease Firing: Immediately stop shooting when anyone calls "Cease firing."
5. COLD Range: Shooters must check with others to ensure firearms are unloaded, actions open and firearms laid down on the shooting bench before going down range. No one is permitted to handle firearms or stand at the firing line while there is a cold range.
6. HOT Range: Shooters must check with others to ensure there is no one down range; when the range is declared "HOT" shooters are permitted to commence firing. Only shooters are permitted on the firing line. Shooters may move safe guns to and from the firing line only when the range is "HOT."
7. All shooters are responsible for their rounds staying within the confines of this range. Shooters may shoot only from the firing.
8. Respect the Range: Please do not shoot steel targets with AP or penetrators. Also shoot rifle calibers at 100 yard targets and shoot pistol ammo at short steel targets. Feel free to shoot all other targets at any range. BEFORE setting reactive targets let me know.
9. Wear eye and ear protection when range is HOT.
10. NO Alcohol prior to shooting. Feel free to drink but please do not handle a firearm afterwards.

I have read and understand the Rules of the Range at Castlebrooke Farms, LLC.
